RESTAURANT AND BAR

Our round table forum allows you to introduce your business in a set period of face time. The fast format breaks down barriers quickly, and gives you an opportunity to build your referral base. The round table portion is followed up by no-pressure mingling to further develop business relationships.

Stuff to bring:

- 30 second Power Statement
- A handful of business cards
- Something to write with
- Enthusiasm for your business!

~ We will provide note cards and name tags.

There is no charge for this opportunity, just a 1 drink minimum (soda pop is fine too)

We ask that you arrive by 6 PM so we can begin by 6:15 PM.

A service to the Lee's Summit Business Community sponsored by WoW Grafix and Braata, 321 SE Main Street, Historic Downtown, Lee's Summit, MO (across from Owen Lumber Company).
